[K. T. M. Ahmed Ibrahim Sahib Bahaduh]
29th May 1946

Party are quite prepared to co-operate most sincerely with the Government in all measures concerning food and cloth but we should be given the necessary opportunities for that co-operation. Food is a matter which affects all the people irrespective of party and it is in that spirit that we offer our co-operation. I have therefore the greatest pleasure in seconding the amendment moved by my hon. Leader."

THE HON. SRI T. PRAKASAM :—" If you had omitted the last few words it would have been better."

* MR. PRESIDENT :—" I find many hon. Members wish to speak. I have not been able to control the length of speeches here as I wanted to, because on hearing the speeches, I felt that it would be criminal on my part to control them as the two subjects under discussion are so important for the country that I want the Government to have the full benefit of the advice tendered by the hon. Members. The Hon. the Prime Minister and the other Ministers are too tired to-day. They have been busy the whole day and they are feeling the strain. I have therefore decided to continue the discussion to-morrow. The House will now therefore adjourn till 4 p.m. to-morrow."

II—NOMINATION OF SRI K. NATARAJAN AS ONE OF THE PANEL OF CHAIRMEN.

* MR. PRESIDENT :—"As I am likely to be out of Madras to-morrow and as the Hon. the Deputy President also is not in headquarters, under rule 9 of the Legislative Council Rules, I have great pleasure in nominating Mr. K. Natarajan to preside over the deliberations of the House to-morrow in my absence. I will announce the names of other members of the Penel of Chairmen later on.

" The House will now adjourn till 4 p.m. to-morrow."
